## 5<sup>th</sup> SUNDAY YR. C

Luke 5 1-11

*Luke deliberately joins the call of the first disciples & the miraculous catch of fish. The ministry of Jesus & the mission of the Church are intimately bound together. The light of salvation shines on the world, & the first Christian community preaches the Gospel. It is like a successful fishing party: the risen One, from Simon Peter's boat, where he remains according to his promise, continues his preaching using the voices of those he has chosen; at his say-so the disciples draw a humanity, a whole world to be saved from the depths.*
