EPIPHANY OF THE LORD

What a wonderful favour! He who embraces heaven and earth is held within the embrace of his Mother; he who left the Kingdom of his Father lies hidden in the bosom of his Mother. Through a simple service the spiritual treasure is revealed: humanity is perceived, but divinity is adored... In the gift of gold royal dignity is indicated, in the smoke of frankincense divine majesty, and in the appearance of myrrh humanity which is destined for burial.

The kindness and humanity of God our Saviour appeared... Behold, God the Father has sent down to earth as it were a bag filled with his mercy; a bag to be rent open in the passion so that our ransom which it concealed might be poured out; a small bag indeed, but full. It is indeed a small child who is given to us, but in whom dwells all the fullness of the Godhead.
